

# IT SECURITY SUMMIT PORTO

## 14<sup>th</sup> MAY, 2025

### An Event Designed for Companies in Northern Portugal

IT Security magazine is launching the **IT Security Summit Porto**, an in-person event taking place in 14<sup>th</sup> May 2025, in WoW, World of Wine, Vila Nova de Gaia. Building on the success of the prestigious IT Security Conference, this summit will focus exclusively on cybersecurity, resilience, and compliance, with a particular emphasis on the practical needs of companies in the northern region—known for its vibrant industries such as **manufacturing, technological innovation, logistics and transport, agrifood, and tourism.**

The event will offer sponsors a unique opportunity to engage with **key decision-makers and local experts**, showcasing cybersecurity solutions tailored to address regional challenges.

The IT Security Summit will be held at the World of Wine (WoW), the newest venue in Gaia, offering a spectacular view of Porto.

**The IT Security Summit Porto** is distinguished by its hands-on, targeted approach, amplifying the voice of CISOs and offering interactive discussions, case studies, and valuable opportunities for strategic collaboration with business leaders and industry experts.

By supporting this event, sponsors will gain exclusive access to a growing and dynamic market, while contributing to the development of a **more secure, resilient, and digitally prepared business community.**

### Conference key topics

Presented in a series of top-level keynotes, interactive panel discussions and solution-based case studies.

Focused on learning and building partnerships in the emerging cyber security and cloud space.

CISO and security professionals will share their expertise and knowledge, their best practices and how they address the current cyberthreat landscape.

Key topics include **CISO success, cloud security, risk & governance, cyber resilience, security ROI, how to communicate a cyberattack, strategic planning, as well as privacy and GDPR, trust, identity and data security.**
